## ADDRESS.

To the Directors of the Electoral District of Prince Albert.

DEAR GENTLEMEN,

At the request of a large number of friends and electors of my district I have consented to allow myself to be named as one of the candidates for election to the new House of Assembly shortly to be convened.

I can now only say that if elected to this important trust I shall endeavor, to the best of my ability, to further the interests, not only of the town and settlement of Prince Albert, but of the whole District of Saskatchewan.

I am, Gentlemen,

Yours truly,

J. F. BETTS.

Prince Albert, June 20, 1888.

**BIRTH.**

BREWSTER—At Prince Albert on the 19th day of June, 1888, the wife of S. Brewster, of a son.

**DEATH.**

SINCLAIR—At Strathmore, on Thursday, June 14th, 1888, Isabel, beloved wife of James Sinclair, of Prince Albert.

**TOWN COUNCIL**

The Town Council held a regular meeting on Monday evening last. His Worship Mayor Bain presiding. The councillors present were McCall, Stewart, Agnew, Johnson and Knowles.

**REPORTS.**

The Fire, Water and Light Committee presented a report, but it was referred back for further information.

**BY LAWS.**

A by-law to regulate the duties of the town constable was considered in committee of the whole, read a third time and passed.

A by-law to regulate the town fees received by their reading and ordered to be signed and numbered.

The Council then adjourned.

**THE LADIES' AID SOCIETY.**

On Wednesday evening last a grand social was given in the Town Hall by the St. Anne's Ladies' Aid Association.

Although the night was very unfavorable owing to the heavy fall of rain during the afternoon and evening, yet the hall was filled to its utmost capacity, in fact seating some could not be found for the large number present nor even standing room for the large doors had to be taken off so as to give those in the passage a chance to hear.

At eight o'clock the Hon. L. Clarke took the chair and in a few very appropriate words, on behalf of the president, Mr. McLean, and the ladies of the society, thanked all for turning out on such an unfavorable evening.

The programme was admirably arranged and was taken part in by all the best talent in town, and it is needless for us to say that the performers did their best, for we think some of them even surpassed their former efforts.

The programme was as follows:—

Instrumental duet, violin and piano, Messrs. Way and Cann; Quartette, Messrs. Johnson, Jones, Parker and Cann; solo, Mr. J. L. Johnson; instrumental duet, Mrs. Porter and Mr. Cann; solo, Miss Fanny May; chorus, "Teasing on the Old Camp Ground," solo, Miss Fortesque; solo, The Chairman; instrumental duet, Miss Fanny May and Mr. Cann; solo, Mrs. Spratt; solo, Mr. J. L. Johnson; instrumental duet, Mrs. Porter and Mr. Cann; solo, Miss Fortesque; solo, Const. Breary, N.W.M.P.; solo, Const. St. John, N.W.M.P.; quartette, Messrs. Johnson, Jones, Parker and Cann.

During the musical part of the entertainment a short intermission took place when all were served with ice cream, cake and lemonade. One great feature of the entertainment was the enormous quantity of ice cream that disappeared.

Col. Spratt left for Cumberland by boat on Saturday last on business connected with his duties as Returning Officer for this division. It will be a rough trip for the colonel. We wish him a safe journey there and back home again.

**DOWN THE SINKHOLE.**

D. S. McDonald, Mahon, C. B. writes Nazal Balm has helped my Catarrh very much. It is the best remedy I ever used.

"Will you have some ice cream?" was the watch-word at the Ladies' Aid Social on Wednesday evening. It was astonishing amount of ice cream some of the ladies made away with; they were not known to refuse.

Through the kindness of Major Perry, the members of the Saskatchewan Rifle Association will be permitted to hold their annual practices and matches on the new police range, south of the barracks. The gallant north will also present a medal for competition in an all-corners match at 700 yards, any rifle.

Mr. Betts is strongly opposed to the granting of Indian or police contracts for use within the district to outside contractors.

The annual presentation of prizes at St. Anne's Convent will take place on Thursday next. A very interesting and entertaining programme of vocal and instrumental music, etc., has been prepared for the occasion. Friends wishing to attend may obtain tickets at the Post Office—fifty cents each.

Mr. Betts will, if elected, urge the importance of a thorough system of immigration similar to that adopted by the Manitoba Government and will always urge the importance of Saskatchewan as a field for settlement.

To say that the concert given by the pupils of St. Anne's Convent was a success, would be putting it very mildly. It certainly was one of the best entertainments of the kind our citizens have had the pleasure of listening to for some time and the Rev. Mothers must certainly be complimented for the very creditable manner in which they managed the affair and the success which crowned their efforts. The pupils deserve great praise for acquitting themselves so favorably. Where all did so well, it would be incivious for us to make special mention. Those who took the leading parts, however, Misses Blair, Lloyd, Scott, McDonald, McKay, Fritchard, Hay and "Brown the Drummer" received well-merited applause in their rendition of the difficult parts so ably represented by them. Some excellent vocal and instrumental music was given by some of the young ladies. Refreshments were served during the evening. The Rev. Superior of the institution, through Major Perry, thanked those present for their patronage. We are sure we voice the sentiments of those who attended when we express the hope that the pupils of the Convent may favor the citizens of Prince Albert with more entertainments of this kind in future.

A new White Sewing Machine for sale. This is the best machine made and will be sold cheap. Apply to H. Walters.

Mr. Betts will urge that increased aid be given to isolated school districts and for the maintenance of roads and bridges.

## CHIT-CHAT LOCALS.

Entered by our Reporters.

Men's and Boy's Rubber Coats, cheap, at Walters & Baker's.

The mail came in half a day ahead of its regular time this week.

Rev. Parn. Fourmond, of St. Laurent, paid this town a visit on Tuesday.

Mr. Betts believes that the liquor question should be settled by vote of the people.

Just received at McCall's, harness store, a large consignment of Ladies' Side Saddles.

Several of the ferries across the South Saskatchewan were swept away by the recent rise of water on that river.

W. J. Barker and C. N. Damsell, Police beef contractors of Battledore were in town this week buying beef cattle to fulfill their contract.

J. M. Campbell disposed of about fifty head of beef cattle, this week, the purchasers being Messrs Barker and Damsell of Battledore.

## ADDRESS.

To the Electors of the Electoral District of Prince Albert.

GENTLEMEN,

At the request of numerous electors of all political parties, I beg to offer myself as a candidate for your suffrages at the coming election. Among other matters which have been urged upon the Government by the late Council, in which I had the honor to be your member, I shall if elected, continue to press upon the authorities.

1st.—The necessity of the speedy construction, by help of each subdivision, of railways north and south of the C. P. R., and also the construction of the Hudson Bay railway, and a traffic bridge across the Saskatchewan.

2nd.—Substitution of any Highway law to the satisfaction of the people before allowing it to come into force.

3rd.—Scip to the half breed children born up to 1885.

4th.—That the claims of the N. W. Mounted Police be presented, sorted and should be recognized in the same manner as the militia.

5th.—The reconsideration of many claims still outstanding since the rebellion.

6th.—The improvement of the navigation of both the north and south branches of the Saskatchewan.

7th.—The survey of the old trails, and their transfer to the Territorial authorities.

8th.—The reduction of duties on agricultural implements imported into the Territories.

9th.—That the amount of stock kept on a homestead be taken into consideration as well as cultivation.

10th.—That no charge be made for any wood used for fuel purposes by bona fide farmers and not cut for sale, and that each settler be allowed 4,000 lineal feet of building timber on free permit.

11th.—That all food supplies both for the Mounted Police and Indians be purchased in the Territories without the official routine which has retarded the letting of contracts, and that beef be substituted for bacon where possible.

Among new matters I shall call the attention of the Government to, I will mention:

1st.—The necessity of providing funds for the maintenance of High and Normal Schools, without infringing on the liberal allowance now given to the public schools.

2nd.—That at all events a portion, if not all, of the revenue derived from fines and licenses accruing in municipalities be refunded to the municipality for local purposes.

3rd.—That the providing officer of municipalities should be ex officio a magistrate.

4th.—That the Ordinances of the Territories be consolidated.

5th.—That all elections, both Dominion and Territorial, should be by ballot.

6th.—That the Ordinances against prairie fires and the use of poison be more strictly enforced.

7th.—That increased and every possible aid be given to the construction of roads and bridges and without having recourse to direct taxation.

As your representative in the late Council, I labored under many disadvantages, being the only representative from the Saskatchewan. Still, probably had it not been for my opposition, this portion of the Territories would have been erected into a province together with the other districts, leaving you with four members in a Chamber of twenty-six, whereas we have now five in twenty-two.

I am altogether in favor of responsible Government when we can enter into the scheme on the same basis as the other districts, but I do not wish the Saskatchewan to go into any such arrangement until the advent of railways she will be by wealth and population on a par (as she must be in a few years) with the other districts.

These gentlemen, are the principal points I am able to bring before you in an address of this description. If you think my actions in the past warrant a continuance of your support and that my experience can be of service to you in the new Legislature—which will be most important one—give me your votes, and remember the old adage, "That it does not pay to swap horses when crossing a stream."

I have the honor to be, gentlemen, Yours very truly,

O. E. HUGHES.

Prince Albert, June 21, 1888.

Capt Hovey, of Boncher, passed through Prince Albert last Tuesday. He is busy with his canvas and confident of success.

The river rose about five feet during Sunday and Monday last, and large quantities of logs and driftwood came floating down in consequence. Several enterprising lumbermen embraced the opportunity to increase the size of their rafts by catching the good logs as they went by.

The Family Educator.—Webster's Unabridged Dictionary is the greatest family educator, and no family of children ought to be brought up without having ready access to this grand volume. It will answer hundreds of questions to the wide-awake child. It is an ever present and reliable administrator to the whole family.
